

SCOTT BROWN

FRONT END WEB DEVELOPER

hello@scottxbrown.com | scottxbrown.com | www.linkedin.com/in/scott-x-brown/ | www.github.com/xscottxbrownx

PROJECTS

Portfolio Website

<https://www.scottxbrown.com>

React, Javascript, Bootstrap, Git, Animate.css library

- Developed mobile-responsive, design-oriented website to house portfolio projects and resume
- Learned CSS transitions and animations to enhance user experience

Grocery App

<https://www.grocery.scottxbrown.com>

React, React Router, Javascript, Material UI, Firebase/Firestore, Git, Google Maps API

- Developed app to solve family issue of too many grocery store choices in neighborhood
- Adding item to the list queries the database and returns item, along with store with least cost
- Organizes items by store and creates an efficient route between stores- using Google Maps API

Loan Amortization App

<https://www.loan.scottxbrown.com>

React, React Router, Javascript, Bootstrap, Git

- Developed app for a mortgage loan specialist to use outside of the office
- User inputs loan details to create calculations & tables of data, shareable via email button

WORK EXPERIENCE

Tickets Bot | Support Representative

Apr. 2022 - Present

Discord bot used in 410k+ servers creating private channels to connect members to staff

- Linked documentation, guided setup, configured settings based on customer's needs
- Rewrote documentation using Markdown resulting in a 20% decline in support tickets being opened

Furu's Mint Club | Co-Founder

Sept. 2021 - Aug. 2022

Discord server focused on alpha and education for new NFT traders

- Handled discord server management, website copy, paid advertising clients, & dev/tech research
- Developed discord bot notifying members of high priority messages using javascript
- Produced a mockup of a potential website/member dashboard

Bird Mafia | Co-Owner

Nov 2020 - Present

Online retailer of home goods

- Accounts receivable/payable, inventory management, website management, and SEO
- Implemented a budget solution connecting 2nd domain name to existing host. Custom coded headers/menu to brand websites independently - birdmafia.com and elbpapercutting.com. Utilized redirects to improve user experience
- 2020 = +23% sales growth vs 2019 | 2021 = +69% sales growth vs 2020

Bed Bath and Beyond | Assistant Store Manager - Operations

Jun. 2006 - Nov. 2020

Corporate big box retailer of home goods

- Managed teams of 20-25 employees
- Helped develop cost reduction initiatives/programs still in use today
