WORK EXPERIENCE

Tickets Bot | Support Representative   *Apr. 2022 - Present*
Discord bot used in 620k+ servers creating private channels to connect members to staff

- **Linked documentation, guided setup, configured settings** based on customer's needs
- **Rewrote documentation using Markdown** resulting in a 20% decline in support tickets being opened

Furu's Mint Club | Co-Founder   *Sept. 2021 - Aug. 2022*
Discord server focused on alpha and education for new NFT traders

- Defined project scope, plan, and staff objectives to bring a new product to market - achieving $400k in revenue
- **Developed discord bot** notifying members of high priority messages using **javascript**
- **Produced** a mockup of a **potential website/member dashboard**

Bird Mafia | Co-Owner   *Nov 2020 - Present*
Online retailer of home goods + art

- **Website management, SEO,** accounts receivable/payable, and inventory management
- Implemented a budget solution connecting 2nd domain name to existing host. **Custom coded headers/menu** to **brand websites independently** - birdmafia.com and elbpapercutting.com. **Utilized redirects** to **improve user experience**
- 2020: +23% sales growth vs 2019 || 2021:   +69% sales growth vs 2020

Bed Bath and Beyond | Assistant Store Manager - Operations   *Jun. 2006 - Nov. 2020*
Corporate big box retailer of home goods

- Managed teams of 20-25 employees
- Helped develop cost reduction initiatives/programs still in use today

---

PROJECTS
